ISPO-Sverige

ISPO-Sveriges målsättning

Vårt mål som tvärprofessionell organisation är att verka för en hög nationell kunskapsnivå inom protes- och ortosbehandling för att på bästa sätt hjälpa människor med fysisk funktionsnedsättning till ett aktivt liv och delaktighet i samhället.

Premiere global event for mobility products

Every two years, the ISPO invites professionals involved in the care of patients in need of mobility products (prosthetics, orthotics, and wheelchairs), assistive technology, and rehabilitation services to its World Congress.

With a mission to reach the global community, the World Congress travels around the globe.

The congress in numbers

- more than 4,000 participants from 80+ countries
- 150 exhibitors from young innovative companies to global market leaders
- 300-400 international speakers

Best time to visit beautiful Sweden

Social events that showcase the Swedish culture will be organised during the World Congress.

Extend your stay and enjoy the Midsummer festival, which begins right after the World Congress has ended. Marking the official start of summer, Midsummer is one of Sweden's most important holidays.

This is a celebration, you don't want to miss!
